### The Heathen Chinese and Other Heather

the world is presided against the Chinese, and none more soul she is said to be, or to find in her the characteristics than America, in which he is defined not only citizenship, of godliness. She is fat, noisy and impertinent. She hasn't what I have discovered from a journey to the bank this morning previous to my

Mr. Wu in an address made the other day to the Manu. facturers' association of Bultimore referred to the disfrant and she is course and talky to the utmost degree. Yesterisked, he said, was that the Chinese be treated like other, she is a common scold such as our forefathers used to duck

denuguary. The sand-bitters of Sin Francisco started the have the same savings instincts, with habits of civilized person who presented the check which animalism and demugaeroes elsewhere beined it along until basels. When we were fightling the Apaches in Arizona," They guture mobody so long as they are left alone.

## Favors Hanging Bees in Kansas,

A strong disposition is being evisced by the Kansag legislature to go back to hanging as the most effectual and cheapest riddsame of the convict. Legislative bodies are no

## A Sound Tax That Cannot Be Dodged.

American investors in Francis bonds who have pusducted for income lax. The though government depends that name may come?"

law is rigorously enforced. Every resident of England whose income brings him within the provisions of the law is compelled to contribute his quota to the maintenance of the government. It seems that even non-residents of England who invest in bonds are also compelled to bear a hand in paying the expenses of royalty and of costly wars in South Africa and elsewhere,

In this country wealthy Americans have managed evade an income tax very successfully. When congress fected in the diverting of the waters of the giver by tate passed such a law, the supreme court of the United States tion, and there is no power except parliament which can

not a law aside. The income tax in Great Britain is a very satisfactory the rights and interests of the state of Kansas, its citizens provision for raising revenue and is sure to remain a fixed and property owners, went through without a criticism or law. Wealthy Americans who wish to avoid such taxes should remember that t is much easier to avoid the burdens as settled this great valley have any prior claims to the scoment does not know enough to make the wealthy bear

### Civil Service Makes Independent Officials,

Unquestionably civil service has its commondable side owned a number of irrigation disches in the '70s, but there that law costs the people vastly more than under the old design as the state of the stat tressury department was shut by a subordinate after a like threat which his had disregarded. Some years ago clocks in the transury department registered the arrivel of much sometimes the clerks, but these were abolished by congress because the clerks, but these were abolished by congress because the members slid not wish their favorites to be worried. the members did not wish their favorites to be worried in bowed again, and told him that my best effects were at his service. Means they are neither heathers not unon-world has shown that nation and its real world has shown that nation and its real respect. Many of the troubles that the tree successful to such an extent that Assistant world has shown that nation and its real culting was constrained to adopt a rule respect. Many of the troubles that the tree successful the periodical scanning my features with periodical scan onlying the doorderpers to note the names and arrivals of belated employes. The registration showed that about five per cent of the clerks furned up hate with tolerable regularity. Under the new rule there has been a decided in provement; but the regulation is regarded as dreadfully provement. There is no longer any question farity. Under the new rule there has been a decided the to me, by reason of my carelessness in dissionary has attempted highprovement; but the regulation is regarded as dreadfully jeaving my checkbook exposed in all
